## **GREEN POLICY**

- **RMKEC strives to be a leader among the all the educational institutes in achieving the environmental excellence.**
- **We are committed to develop green thinking and green practices into all aspects of daily operations.**
- **We aim to reduce waste production by recycling and reusing.**
- **We envision a workplace where every process has been “greened”.**
- **We aim to establish and follow principles, in conjunction with environmental practices.**
- **We aim for moving towards renewable energy from conventional energy.**
