ABOUT THE COLLEGE

R.M.K. Engineering College, situated at Kavaraipettai, Gummidipoondi Taluk, is a unique institution providing high quality academic environment. The college is affiliated to Anna University and is certified under ISO 9001:2008 by DNV, Netherlands. Presently, the college offers seven UG level Programmes and seven PG level Programmes. Seven Courses are accredited by National Board of Accreditation (NBA, AICTE), New Delhi. The college maintains close interaction with several R&D institutions. The institution has excellent infrastructural facilities to support academic as well as research activities. The college is located at a distance of about 35 kms. from Chennai on the Chennai-Vijayawada National Highway (NH5) and is easily accessible by both road and rail.

DEPARTMENT PROFILE

The Department of Information Technology is accredited by NBA, New Delhi. The department has well qualified dedicated faculty members and modernized laboratory facilities. Faculty and students are encouraged and motivated to enhance both academic and research activities. Faculty members are involved in many activities like teaching, continuing education, technical consultancy, research & development and student guidance.

Our students excel in academic performance and consistently achieve University ranks. Apart from curriculum many value added courses including ORACLE, CCNA, IBM DB2 and other soft skill development programmes are being conducted consistently to improve employability skills of our students. Our students generally get placed in prominent MNCs.

ABOUT THE CONFERENCE

The primary goal of the conference is to promote research and developmental activities in Information Technology and Communication Systems.

This national level conference is multidisciplinary on Information Management, Communication, Computer Science and Technology. It focuses on bringing together researchers, academicians, industrialists and practitioners across the nation to explore the technological advances in the design and development of information and communication systems.
