About Us

R.M.K Group of Institutions was founded by the visionary Shri. R.S. Munirathinam, philanthropist, educationalist and Former Member of Legislative Assembly, Gummidipoondi. The institutions are creating paradigm shifts with bright insights of innovative growth and excellence.

RMKEC

Since its inception in 1995, R.M.K Engineering college has grown into a unique institution by providing high quality academic environment. The college maintains close interaction with several R&D institutions. The National Board of Accreditation of AICTE has accredited Six programmes of the college. The college is affiliated to Anna University, Chennai, Anna University of Technology, Chennai and also certified under ISO 9001-2008. Presently, the college offers 7 UG programmes and 7 PG programmes. The institution has excellent infrastructural facilities to support both undergraduate, postgraduate programmes and research activities. The College was awarded Bharatiya Vidya Bhavan national award for an Engineering College having best overall performance in the year 2008. It was accorded with Research centre by Anna University & Anna University of Technology, Chennai for the department ECE, EEE, CSE, MECH, MCA, Physics, Chemistry & Mathematics. The College is located at a distance of about 35 km from Chennai on the Chennai - Kolkata National Highway (NH 5), and is easily reachable by road and rail.

M.C.A Department

The Department of Computer applications started in the year 1997, has been approved by AICTE, New Delhi & affiliated to Anna University, Chennai and also accredited by the National Board of Accreditation (NBA) for five years. The department has highly qualified and experienced faculty with state -of -the -art lab facilities. The Department has been approved as a Centre for Research by Anna University of Technology, Chennai. The MCA Students' Association "KAIZEN" organizes activities like Paper Presentation, Debugging, Web designing, Technical quiz etc annually.

Our students excel in academic performance and hold the top university ranks. Apart from curriculum, many technical and personality development programmes are frequently conducted to enhance the employability of the students.

Theme of the Conference

To enlighten the creative ideas of young researchers, academicians & scientists and to motivate latest technology in the area of Cloud computing, Network security and data mining.

Theme of the conference can include, but not limited to

Invites talks by eminent academicians and R&D experts in the following topics

1. Cloud Computing.
2. Network Security
3. Data Mining.
4. Web Mining.

About the Conference

1. Cloud Computing
2. Mobile Computing
3. Data Mining
4. Network Security
5. Mobile Ad-Hoc Networks
6. Neural Networks

Call for Papers

Original research and unpublished papers are invited in the above list of themes. All submissions are peer reviewed. Accepted papers will be published in the conference proceedings with ISBN number. Best paper will be published in ISSN RSM International Journal of Engineering, Technology and Management

Guidelines for Submission

The guidelines for preparing the full length paper should be followed as per IEEE format. The full paper should contain name, affiliation, title of the research paper, email address and telephone number of the participants.

Paper has to be mailed at : nccns2012@rmkec.ac.in

Important Dates

Call for papers

- | | |
|--|----------------------------------|
| Last date for Submission of Full paper | : 18 th January 2012 |
| Notification of acceptance | : 31 st January 2012 |
| Submission for camera ready paper | : 14 th February 2012 |

Registration Details

- | | |
|--------------------------------|---------|
| Corporate Delegates | : ₹ 750 |
| Academicians | : ₹ 600 |
| Students and Research Scholars | : ₹ 400 |

Conference fee should be drawn in the form of Demand Draft in favour of The Principal, R.M.K. Engineering College, payable at Chennai.

To

The Principal/HOD

Invitation for National Conference on "Cloud computing and Network Security" to be held on 09th and 10th March 2012.

Dear sir/Madam,

It gives me a great pleasure to inform you that our college MCA department is organizing a national level conference on "Cloud computing and network security" on 09th and 10th March 2012.

This conference will provide a platform for exchanging knowledge between experts and young researchers in Engineering and technology and also share for their views and methods. Many eminent experts across the nation are expected to participate in the conference.

A brochure giving the outline of the conference and registration form is enclosed herewith.

You are hereby requested to circulate the enclosed brochure and give a wide publicity among the faculty members, research scholars, industry professionals and PG students to actively participate in the conference.

Your cooperation is pivotal in ensuring a great success to this event.

Looking forward to your valuable participation.

With regards,

Prof. K. Manivannan,
Convenor, NCCNS 2012
