This is with reference to your letter dated 01-10-2018 addressed to Director, NAAC, with a positive note along with the list of non-accredited institutions identified by you to handhold them for Assessment and Accreditation (A&A) process. We appreciate your initiative and wish to inform you that the same can be done by conducting meetings, interacting sessions and workshops with such non-accredited institutions through your IQAC cell.

We hope with your consistent and extensive efforts, there may be drastic increase in the number of institutions with the accreditation status.

NAAC appreciates your efforts of joining hands with us, as UGC envisages to accrediting every institution in India with a minimum score of 2.5 CGPA by 2022.

Thanking you

Yours sincerely

Sha
