VISION

To become the most preferred destination in the country to learn 'Artificial Intelligence and Data Science' at the undergraduate level and develop professionals of international relevance to meet the societal needs.

Mission

M1

To collaborate with industry and provide state-of-the-art infrastructural facilities, with a conducive teaching-learning ambience.

M2

To instil in the students the knowledge for world-class technical competence, entrepreneurial skill and a spirit of innovation in AI and Data Science to solve real-world problems.

M3

To encourage students to pursue higher education and research.

M4

To inculcate the right attitude and discipline and develop industry-ready professionals for serving the society.

About the Department

R.M.K. Engineering College started an industry-relevant Computer Science programme with Cognizant as our Knowledge Partner – the B.Tech. course in Artificial Intelligence and Data Science – in the year 2020. ADS is the most wanted and exciting career domain in the industry right now, with many new high-paying jobs. The complete curriculum and syllabus are designed in line with the rapidly changing industry landscape in the era of Artificial Intelligence and Data Science.
